“REVIVE US AGAIN” 2022 EVANGELISM WORKSHOP

**ANNUAL HOME MISSION WORKSHOP, MARCH 23-26,
BROWN STREET CHURCH OF CHRIST, 2471 BROWN STREET,
WAXAHACHIE, TEXAS (972) 937-8855**

Please expand your knowledge of **HomeMission**. You can learn by spending time at their excellent website: www.homemission.org. **HomeMission** is comprised of a dedicated group of godly men and women determined to

build up the body of Christ by focusing on teaching Jesus. Numerous ministers donate their time and talents to help congregations grow. This includes equipping brothers and sisters to powerfully share the Lord in their communities. In some cases, a struggling congregation may be on the brink of closing their doors. Instead, the church is able to grow spiritually and numerically by fulfilling the purpose for which God has called all of us to (Romans 8:28). Teams of volunteers willingly pick up and go to these congregations to *work together* to be revived, renewed, and make an impact in their geographical area.

HomeMission seeks to take advantage of “all means to save some” - including the use of **NewLife Behavior** curricula. As a result, we will be present at the upcoming event at Brown Street Church of Christ in Waxahachie. We will have an opportunity to *train new NLB instructors who will be able to train others also*. So, Buck and Dale be there. Also, a number of excellent speakers are scheduled to stir our hearts and move us to act more like Christ. Here is an abbreviated list to wet godly appetites: Jeff Jenkins, Bob Turner, April Askew, Ferman Carpenter, John Orr (who first organized this great work in 2015). Nathan Burrow, Phil Sanders, and Luis Melendez, and Janae Fridell. Hundreds of congregations in more than forty-five states have been strengthened thus far. Some of our readers will recall the time that Brother Orr served as the preacher for the Ayers Street Church of Christ right here in Corpus Christi.

In addition to keynote speakers, class sessions for men and women, display booths featuring a multitude of outreach ministries, and fellowship meals shared, attendees will enjoy numerous opportunities to meet and become acquainted with soulwinners from many places.

It is important for everyone to “register” and this may conveniently be done online at the **HomeMission** website noted above. You may also download the complete schedule of speakers, topics, times, and other activities to decide in advance which sessions will best meet your needs and interests. Invite others to come with you. **“Revive Us Again” is much too good to keep to yourself!**
